Ellie is tired of being fat-shamed and does something about it in this poignant debut novel-in-verse.

Ever since Ellie wore a whale swimsuit and made a big splash at her fifth birthday party, she's been bullied about her weight. To cope, she tries to live by the Fat Girl Rules—like "no making waves," "avoid eating in public," and "don't move so fast that your body jiggles." And she's found her safe space—her swimming pool—where she feels weightless in a fat-obsessed world. In the water, she can stretch herself out like a starfish and take up all the room she wants. It's also where she can get away from her pushy mom, who thinks criticizing Ellie's weight will motivate her to diet.

Fortunately, Ellie has allies in her dad, her therapist, and her new neighbor, Catalina, who loves Ellie for who she is. With this support buoying her, Ellie might finally be able to cast aside the Fat Girl Rules and starfish in real life--by unapologetically being her own fabulous self.

How do you speak up when it feels like no one is listening? In this moving novel in verse that Printz Honor-winning author Lisa Fipps calls “powerful,” one girl takes on seventh grade while facing mental health challenges and must find her voice to advocate for the help and understanding she deserves.

2023 Newbery Honor Book

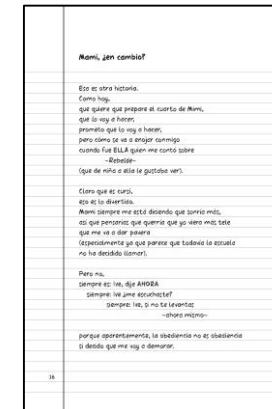

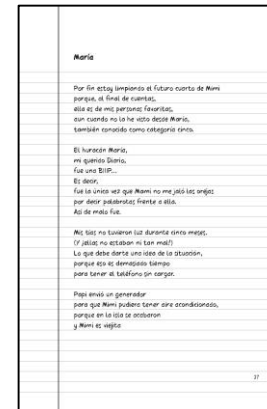

Listen up:
The end of elementary school?
Worst time of my life.
And the start of middle school?
I just wasn't quite right.
But this year?
YO VOY A MI.

Seventh grade is going to be Iveliz's year. She's going to make a new friend, help her abuela Mimi get settled after moving from Puerto Rico, and she is not going to get into any more trouble at school...

Except is that what happens? Of course not. Because no matter how hard Iveliz tries, sometimes people say things that just make her so mad. And worse, Mimi keeps saying Iveliz's medicine is unnecessary—even though it helps Iveliz feel less sad. But how do you explain your feelings to others when you're not even sure what's going on yourself?

Powerful and compassionate, Andrea Beatriz Arango's debut navigates mental health, finding your voice, and discovering that those who really love you will stay by your side.

Newbery Honor Book

In this Newbery Honor–winning novel, Gary D. Schmidt tells the witty and compelling story of a teenage boy who feels that fate has it in for him.

Seventh grader Holling Hoodhood isn't happy. He is sure his new teacher, Mrs. Baker, hates his guts. Throughout the school year, Holling strives to get a handle on the Shakespeare plays Mrs. Baker assigns him to read on his own time, and to figure out the enigmatic Mrs. Baker. At home, Holling's domineering father is obsessed with his business image and disregards his family.

As the Vietnam War turns lives upside down, Holling comes to admire and respect both Shakespeare and Mrs. Baker, who have more to offer him than he imagined. And when his family is on the verge of coming apart, he also discovers his loyalty to his sister, and his ability to stand up to his father when it matters most.

Each month in Holling's tumultuous seventh-grade year is a chapter in this quietly powerful coming-of-age novel set in suburban Long Island during the late '60s.

Pura Belpre Honor Book

In her debut as author and illustrator, Mirelle Ortega shares her own story of growing up near her family's pineapple farm in Mexico, where she learned the true meaning of magic.

I learned that magic isn't good or bad, it just is. Sometimes it gives, sometimes it takes. Sometimes life blossoms, sometimes it wilts.

Growing up on a pineapple farm in Mexico, a girl discovers the true meaning of the word magic in this truly magical picture book about change and transformation of all kinds—what we can't control, such as natural disasters and loss, and what we can. Magic can transform dirt into pineapples, seeds into trees, wool into blankets, words into stories, blank pages into pictures—a story into a picture book.

Pura Belpre Honor Book

A delicious and fortifying picture book inspired by the author's family, featuring the Mexican tradition of holiday tamale-making

A 2022 Pura Belpré Award Illustrator Honor Book

«“What is the recipe?” I ask. Abuela laughs. “It is in my heart, Rosie. I use mis ojos, my eyes, to measure. Mis manos, my hands, to feel. Mi boca, my mouth, to taste. My abuela gave it to me, and I am giving it to you.” Each year on Christmas Eve, Rosie’s abuela, mamá, tía, sister, and cousins all gather together in Abuela’s kitchen to make tamales—cleaning corn husks, chopping onions and garlic, roasting chilis, kneading cornmeal dough, seasoning the filling, and folding it all—and tell stories. Rosie learns from her abuela not only how to make a delicious tamale, but how to make a delicious life, one filled with love, plenty of spice, and family.»

A boy and his monster confront their mutual fears in this unlikely friendship story that's rooted in Mexican folklore

Ramón is a little boy who can't sleep. He is nervous for his first day at a new school. And El Cucuy is the monster who lives in Ramón's cactus pot. He can't sleep, either.

It turns out that El Cucuy is scared, too!

This gentle, perceptive story explores the worries that can accompany moving to a new place and beginning a new journey—and reveals how comfort, bravery, and strength can be found through even the most unexpected of friendships.

BISAC Juvenile Fiction - Health & Daily Living - General

Through this wonderfully illustrated second book, neuroscientist Nazareth Castellanos explains to the little ones how the belly works, and how things we eat affect our emotions. The belly is like a second brain.

Did you know that millions of little bugs called bacteria live in our intestines? Some have thousands of legs, others very long mustaches, others have thirty-five eyes, but all of them are tiny, almost invisible. They live there because they help us get the energy out of our food. But they also help us be smarter, better, and happier.

Discover all this and much more by tagging along with Alicia on her journey to the center of her belly, because it is from there that we make many decisions, and it is also a great nerve center of emotions, learning, and moods. In this second book, Alicia meets Mr. Zanco Panza at his Happy Not-Birthday party, and together with Mrs. Cajal they will discover how the different foods we eat affect our emotions.

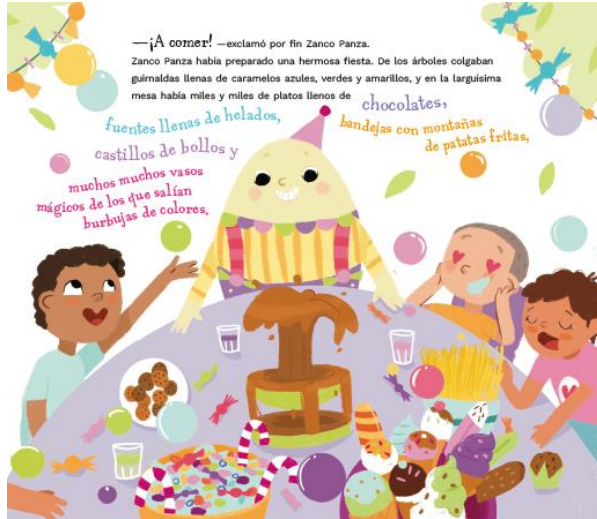

Through colorful illustrations, simple metaphors, and small information boxes, the little ones will discover:

- How the feeding process works
- How important it is to eat well in order to be healthy, strong, and happy
- The importance of having a good attitude in order to be happy.

Learning how we function inside helps us take care of ourselves.

Picture Book

La señora Cajal orientó el espejo y observó el cuerpo de Alicia.
Dentro de su cabeza había una nuez; era el cerebro.
En su pecho saltaba un pequeño corazón, escottado por dos grandes árboles: los pulmones.
Pero a la señora Cajal le pareció muy interesante la barriga de Alicia y decidió conocerla un poquito más.

Nuestro cuerpo por dentro parece una orquesta. Cada instrumento tiene una función, pero lo importante es que todos tocan juntos. En el pecho está el corazón, que reparte la sangre por el cuerpo y luego la recoge para que los pulmones la limpien. El estómago mezcla la comida y la hace muy muy blandita para que, después, el intestino obtenga de ahí la energía que necesita nuestro cuerpo para vivir.

¿Sabes que tu desayuno puede estar dentro del cuerpo más de dos días? Y además te da fuerza para aprender y jugar toda la mañana.

—¡Alicia, ya viene la tarta, ven a soplar las velas! —dijo Zanco Panza.
—Pero si no hay velas —respondió Alicia sorprendida.
—Claro, es una fiesta de no cumpleaños —dijo Zanco Panza, riéndose a carcajadas.
A Alicia le gustaba tanto el dulce que se comió la tarta entera.

La señora Cajal se acercó a Alicia con su espejo y, sin que ella se diese cuenta, miró lo que pasaba dentro de su cuerpo.
Los bichitos de la barriga saltaban como locos. ¡Querían destruirlo todo!
Un grupo de bichitos enfadados había llegado hasta la boca para hacer agujeros en los dientes.
—¡Qué horror! —dijo la coneja Cajal preocupadísima.

Very cute illustrations are part of this story that tells an original, fun adventure with a great sense of humor, all to make the whole family laugh. (And to make the kids to start taking vegetables more seriously.)

Vegetables say enough is enough!

Vegetables are tired of children crying and complaining to not finish their plates, and they have decided to claim their real importance in this world.

How?

With the funniest and most vitaminic rebellion ever lived inside a fridge.

Whether vegetables achieve their purpose or not, from now on you will not see them with the same eyes...

Do you think broccoli is boring and gross? Well, you should know that it is one of the vegetables with more vitamins and nutritional properties in the world. Either you start eating broccoli or you'll see what happens...

Does chard disgust you? Then get ready for a truly "gross" dinner when chard takes over the kitchen.

Do you believe peas are nice vegetables? Think again after they start their offensive...

NEW YORK TIMES BESTSELLER • From the critically acclaimed author of *One of Us Is Lying* comes a new page-turning mystery. Be sure to keep your friends close . . . and your secrets closer.

Four years ago, Brynn left Saint Ambrose School following the shocking murder of her favorite teacher—a story that made headlines after the teacher’s body was found by three Saint Ambrose students in the woods behind their school. The case was never solved. Now that Brynn is moving home and starting her dream internship at a true-crime show, she’s determined to find out what really happened.

The kids who found Mr. Larkin are her way in, and her ex–best friend, Tripp Talbot, was one of them. Without his account of events, the other two kids might have gone down for Mr. Larkin’s murder—but instead, thanks to Tripp, they’re now at the top of the Saint Ambrose social pyramid. Tripp’s friends have never forgotten what Tripp did for them that day, and neither has he. Just like he hasn’t forgotten that everything he told the police was a lie.

Digging into the past is bound to shake up the present, and when Brynn begins to investigate what happened in the woods that day, she uncovers secrets that might change everything—about Saint Ambrose, about Mr. Larkin, and about her ex-best friend, Tripp Talbot.

Four years ago, someone got away with murder. More terrifying is that they might be closer than anyone thinks.

INSTANT #1 NEW YORK TIMES BESTSELLER* INSTANT #1 INDIE BESTSELLER* INSTANT USA TODAY BESTSELLER

From the New York Times bestselling author of *One Last Stop* and *Red, White & Royal Blue* comes a romantic comedy about chasing down what you want, only to find what you need...

Chloe Green is so close to winning. After her moms moved her from SoCal to Alabama for high school, she's spent the past four years dodging gossipy classmates and the puritanical administration of Willowgrove Christian Academy. The thing that's kept her going winning valedictorian. Her only rival: prom queen Shara Wheeler, the principal's perfect progeny.

But a month before graduation, Shara kisses Chloe and vanishes.

On a furious hunt for answers, Chloe discovers she's not the only one Shara kissed. There's also Smith, Shara's longtime quarterback sweetheart, and Rory, Shara's bad boy neighbor with a crush. The three have nothing in common except Shara and the annoyingly cryptic notes she left behind, but together they must untangle Shara's trail of clues and find her. It'll be worth it, if Chloe can drag Shara back before graduation to beat her fair and square.

Thrown into an unlikely alliance, chasing a ghost through parties, break-ins, puzzles, and secrets revealed on monogrammed stationery, Chloe starts to suspect there might be more to this small town than she thought. And maybe—probably not, but maybe—more to Shara, too.

Fierce, funny, and frank, Casey McQuiston's *I Kissed Shara Wheeler* is about breaking the rules, getting messy, and finding love in unexpected places

Self-Esteem & Self-Reliance

A story of bullying and personal ghosts from the bully's point of view, by bestselling author Pedro Mañas.

Eric is fifteen years old and has a big knot inside that he only knows how to express by smearing his notebooks with comics and cartoon drawings. His grades are horribly bad, he has been the victim of bullying by several classmates, and this is the third time he has had to change schools. So when his mother receives a note from his new teacher the first week of school, she senses that her son's nightmare is starting all over again.

However, to everyone's surprise, this time it is Eric who has started harassing his classmates. And maybe someone else, who comes back from beyond the grave to bring out the best and the worst in Eric.

This story reflects what we are capable of doing in order to be accepted, by one of the great voices of youth literature.

After having turned hundreds of thousands of boys and girls into avid readers with his successful Anna Kadabra, Dragon Princesses, and Nightmare Hunters series, Pedro Mañas makes the leap to young adult literature.
